

## NOTE FROM THE PRESIDENT

The new year is underway, and our first club meeting had a great turnout. Due to the large attendance we had some good ideas brought to the table, as well as valuable input. Hopefully all of you will keep this up. One of the topics brought up was the DNR's new ice fishing rules and regulations. A lot of us were confused with some of it, but after the open discussion we all have a better understanding. See you all at the next club meeting in February. Remember, if you have concerns the meeting is the time to address them.

Thanks,  
Steve Licht, President
